

Lockheed Martin Recreation Area

Picnic Pavilions

Picnic sites accommodate groups of any size with 19 covered pavilions available for reservations (see list below). Several tables are scattered throughout the park for use by small groups on a first-come basis.

Pavilions are equipped with picnic tables, benches, BBQ grills, lights, electrical outlets and concrete and/or grass volleyball courts (some smaller pavilions do not have volleyball courts). Restrooms are located in the park, and a large fenced playground is available for children. In addition, swings and slides can be found throughout the park.
