

From I-20, Take this Exit

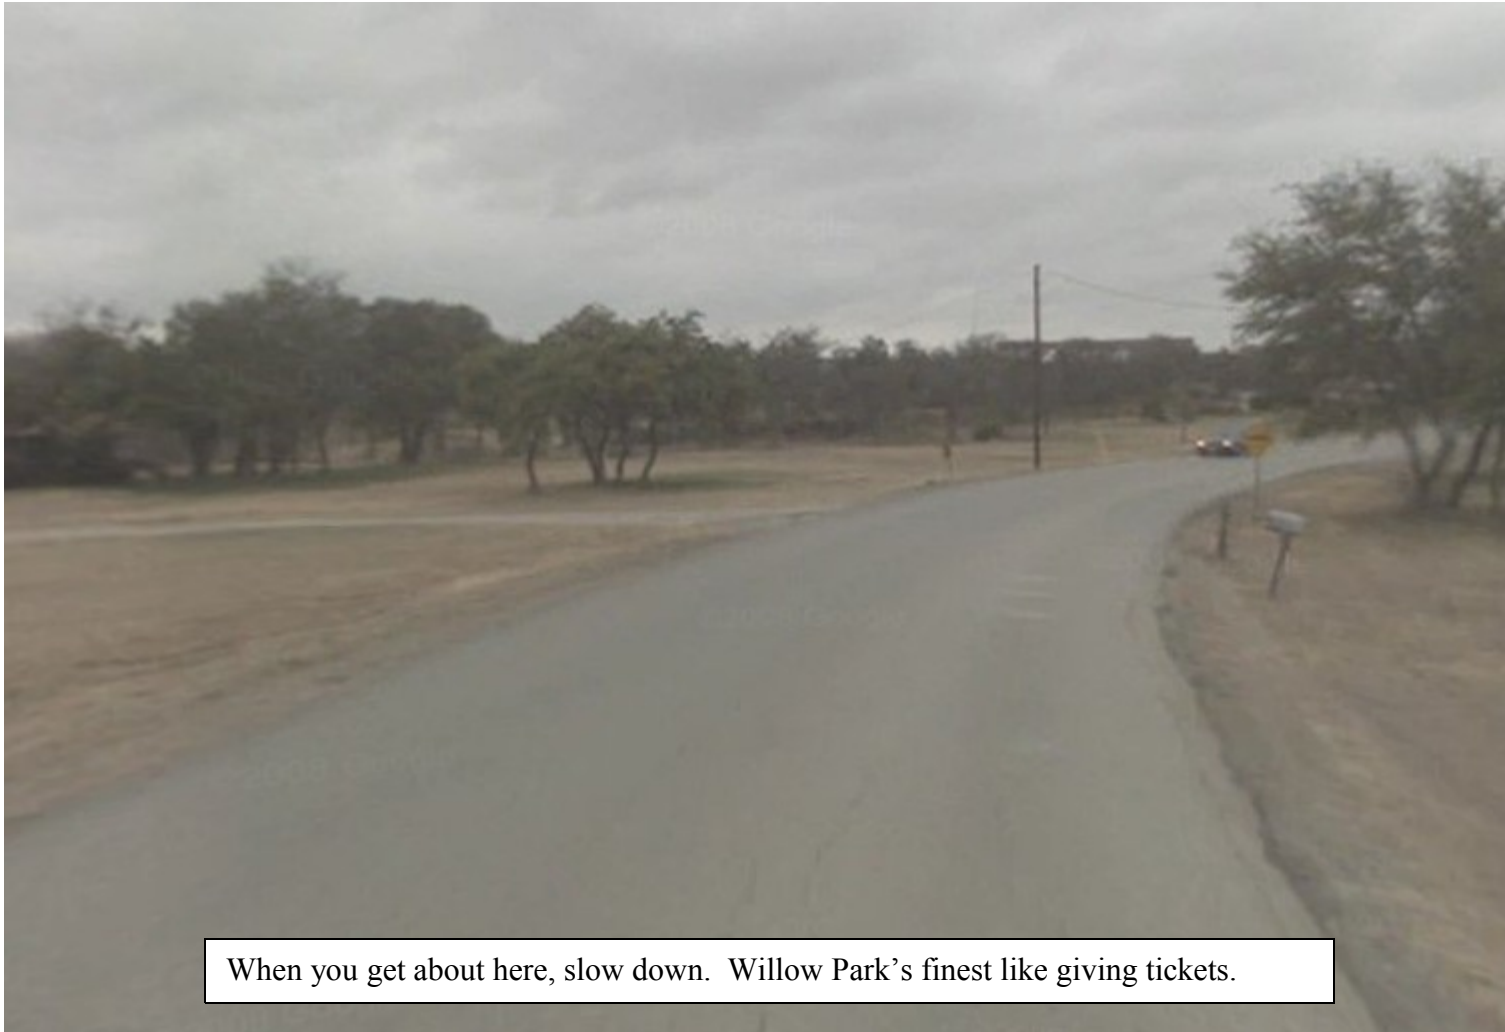

After taking the Ranch House Rd exit (418), it looks like this

Follow the cars that are turning right on Ranch House Rd.

So far, so good. Take the right hand turn. You are about 1.1 miles from the course

When you get about here, slow down. Willow Park's finest like giving tickets.

Keep going past the churches on the left and water tower on the right.

Turn left here and get ready for some golf.

You're there, now you need to park your car.

Looks like there are plenty of spots open.

Don't kid yourself. You aren't the club champion, find another spot.

There's a spot. Take out your clubs, hit a few putts, check into the pro shop and get ready to make some birdies.
